NIGHTFORCE

- Best Example of Advanced Scope Technology. Unparalleled in the optics industry.
- Most Sophisticated Riflescope ever made by NIGHTFORCE!
- Extra-Low Dispersion (ED) glass
- Intelligent Elevation Controls
- 60 MOA/20 Mil radians of elevation in a single turn

The most technologically advanced, extreme-range tactical rifle scope on the market. Not for everyone. But if you need one, you'll know it.

PRODUCT CODE	MAGNIFICATION	RETICLE
C450	5-25 X 56 F1	MOAR (F1) / MIL-R (F1)

NIGHTFORCE

- Optically brilliant.
- Unmatched mechanically
- Ideally suited to any application from military to any civilian use
- Compact and capable ATACR
- Speeds up target acquisition, wide field of view
- Unparalleled clarity and brilliance

The original "bulletproof" riflescopes, created to perform and survive in service with special operations, tactical and sniper units. There are no more rugged and dependable riflescopes on earth.

PRODUCT CODE	MAGNIFICATION	RETICLE
C542	4-16 x 42 F1	MOAR / MIL-R
C553	5-25 x 56 F1	MOAR / MIL-R
C555	5-25 x 56	MOA ZS
C545	5-25 x 56 F1 ZS	MOAR 1-4

NIGHTFORCE

- Ideal for the AR platform
- Offers from 1X . and variable magnification for "Open Sight" immediate target acquisition
- Ideal for dangerous game; military and 3 gun competition
- Large range of scopes for every application from low/wide angle to high magnification
- 1-4 compact up to 8-32 Long Range

The ultimate long-range riflescopes, evolved from our legendary NXS™ series. The finest ED glass, remarkable clarity and resolution, and every feature the serious shooter could possibly desire.

C468	2.5 x 32 Compact	MOAR
C459	2.5 x 42 Compact	MOAR / IHR 1X4
C429	3.5-15 x 50	MOAR / IHR 1X4
C431 / C432 / C506 / C434	5.5-22 X 50/56	MOAR & -T / MIL-R / MIL-DOT
C508 / C438 / C437 / C524	8-32 X 56	MOAR / MOAR-T / MIL-R

- Check what the leaders are using, they don't just compete, they win
- Known as the perfect "F-class" competition scope
- The ultimate riflescope for long range target accuracy
- Choose the Competition model for all long range work
- Shrinks 1 000 yards to a barrel length away

Is this the ultimate riflescope for the serious competitor? The US F-Class rifle team thinks so, selecting the Competition™ 15-55 x 52 for their campaign to the 2017 F-Class World Championships. Some, in fact, have called it the "perfect F-Class riflescope."
